	Easily make copies from your smartphone	With the HP app, take a photo as a copy, and send it to your printer from your smartphone. ⁶
	Customizable shortcuts on your phone	Eliminate steps in repetitive tasks with customizable Shortcuts. Scan to the cloud, email, and more. ⁶
	Seamless setup	Get started fast with simple setup that guides you through each step to seamlessly connect on any device ⁶

Energy efficient design

Help save resources without sacrificing performance with this ENERGY STAR® certified printer. Designed with energy-saving Auto-On/Auto-Off Technology – intelligence that can turn your printer on when you need it and off when you don't.⁴

	On when you need it, off when you don't	Optimize printer energy usage with HP Auto-On/Auto-Off ⁴ technology.
	ENERGY STAR® Certified	Help save resources without sacrificing performance, using this ENERGY STAR® certified laser printer.

LaserJet M109-M112

Product walkaround

HP app

Print and scan with the easiest-to-use HP app.

Simple setup

Time-saving Shortcuts

HP LaserJet 100 series Line Up

	HP LaserJet M109-112	HP LaserJet M139-142
Industrial Design	Modern, compact	
User Interface	LED buttons with LCD display control panel	
Productivity	Consistent print quality, crisp black text	Consistent print quality, crisp black text, flatbed scanner
Connectivity	Wireless connection with self-reset and Hi-Speed USB connection	

Legal disclaimers

1. Internet access required and must be purchased separately. Wireless operations are compatible with 2.4 GHz and 5.0 GHz operations only. Supports both 5.0 GHz and 2.4 GHz using up to 12 non-overlapping channels vs. only 3 non-overlapping channels for 2.4 GHz only. Supports 5.0 GHz band (up to 150 mbps) v. 2.4 GHz band (up to 72.2 mbps). Learn more at: www.hp.com/go/mobileprinting
2. Smallest in-class footprint compared only to dimensions of majority of personal black-and-white laser printers and MFPs <\$169 and <\$209 USD, in the developed market respectively. Developed Market Countries: Australia, Austria, Baltics, Belgium, Canada, Denmark, Finland, France, Germany, Italy, Japan, Korea, Malaysia, Netherlands, New Zealand, Norway, Portugal, Singapore, Spain, Sweden, Switzerland, UK&I, USA. Minimum dimensions used in this analysis. Keypoint Intelligence March 2024 study commissioned by HP based on publicly available, OEM-published specifications as of Q4 2023. Per HP, measured footprint for the HP LaserJet M109-M112 is 102.000 square inches and for the HP LaserJet MFP M139-142 series is 147.226 square inches. Market share as reported by IDC Quarterly Hardcopy Peripherals Tracker – Financial Historical Q4 2023 Developed Market. Details: www.keypointintelligence.com/HPsSmallestLaser
3. Compared to OEM printing apps for the majority of top-selling, network-capable inkjet/laser printers and all-in-ones for the home and office, priced ≤\$450 USD. Printers selected by market share as reported by IDC Quarterly Hardcopy Peripherals Tracker – Final Historical CYQ1 2023. Claim based on research of printer manufacturer's print apps and Keypoint Intelligence hands-on testing and study commissioned by HP, July 2023. For details, please see: keypointintelligence.com/HPSmartapp. Requires HP app download available at www.hp.com/go/mobileprinting. Certain features are available in English language only, and may vary by printer model/country, and between desktop/mobile applications. HP reserves the right to introduce charges for use of functionality facilitated by the HP app. Internet access required and may not be available in all countries. HP account required for full functionality. Fax capabilities are for sending a fax only. List of supported operating systems available in app stores. See details at www.hpsmart.com. Recycling: Program availability varies. Original HP cartridge return and recycling is currently available in more than 60 countries, territories and regions in Asia, Africa, Europe, and North and South America through the HP Planet Partners program. For details, see hp.com/recycle
4. HP Auto-On/Auto-Off Technology capabilities subject to printer and settings; may require a firmware upgrade.
5. Measured using ISO/IEC 24734, excludes first set of test documents. For more information see <http://www.hp.com/go/printerclaims>. Exact speed varies depending on the system configuration, host OS, port-monitor, software application, driver, and document complexity.
6. Requires HP app download available at www.hp.com/go/mobileprinting. Certain features are available in English language only, and may vary by printer model/country, and between desktop/mobile applications. HP reserves the right to introduce charges for use of functionality facilitated by the HP app. Internet access required and may not be available in all countries. HP account required for full functionality. Fax capabilities are for sending a fax only. List of supported operating systems available in app stores. See details at www.hpsmart.com.
7. Based on internal HP testing. Average timing estimate based on: 1) downloaded HP Smart app on mobile or desktop device, 2) setting up Shortcut, 3) scanning jobs which have more than 2-3 tasks associated with them (scan to email, save and rename, store to cloud, etc.). Average timing savings comparison based on using printer and desktop scan software to complete similar scanning tasks. Requires the HP app download and supported HP printer. For details on local printing requirements see www.hp.com/go/mobileprinting.
